May 25 Celebration

EVERYTHING READY FOR CANOE PAGEANT

Planning has been completed and as far as Drayton Valley is concerned all is in readiness for the Voyageur Canoe Pageant that starts Wednesday, May 24th in Rocky Mountain House.

With the bark of the starter's gun the Centennial Voyageurs, representing ten provinces and territories, will leave Rocky Mountain House on the morning of the 24th on a 104-day journey of 3,283 miles to Montreal on September 4th.

The Alberta canoe, the David Thompson, will be manned by a crew headed by Chief Voyageur John Nikel, Captain Vic Maxwell, Trainer Bryn Thomas, and crew members Adam Borys, Ken Hardy, Albert Abel, George Abel, Bob Poluck, Dave Ellery, Archie Griffith and Dave Maclure (the last three from Drayton Valley).

The brigade of canoes will follow the water route of the fur traders that will take them through 97 communities on the 104-day trip. Stops will be made in Alberta at Alder Flats, Drayton Valley, Devon, Edmonton, Fort Saskatchewan, Smoky Lake, Two Hills, Elk Point and Lloydminster.

Members of the winning team, the one which reaches Montreal with the shortest logged time, will receive \$2500 each, with \$2000 each going to the second-place team; \$1500 to each of the third-place team and \$1000 each to members of the other teams which complete the trip.

First night out, May 24th, the Voyageurs will camp at Alder Flats where residents have planned a celebration. Races, contests, a barbecue and a pony express race will be features of the day at Alder Flats.

Celebrations will start in Drayton Valley at 3:00 p.m. Thursday, May 25th with music by the Namao R.C.A.F. Volunteer Band at the river site on the stage of Labatt's "S.S. Centennial."

Great Day Arrives . . . At Last!

Youngsters at the Drayton Valley Elementary School waited out the past three weeks in hopeful anticipation while a brooding hen sat on a clutch of eggs in one of the classrooms.

Visiting times were set up and children arrived on schedule to see how the hen was making out. Finally on Wednesday of last week seven or eight fluffy, peeping chicks

emerged from the eggs and delightfully surprised children like the youngsters shown above arrived to view the new members of their school.

Shown above, from left to right, are: Bonnie Findlay and Randy Helander, Grade I; centre Wesley Kelly, Grade 4, owner of the chicken family; and right, Jacqueline Romanson and Billy Brown, Grade I.

Centennial Tree Planted

In a ceremony at the United Church in Drayton Valley last Sunday a Centennial Blue Spruce obtained by the Action Group of the U.C.W. was planted in front of the church. Mrs. Jack Heyland is shown taking part in

the planting ceremony and adults in the foreground from left to right are Bob Elliott, Jack McLean, Howard Pickup, Dr. Maclure, Jack Heyland and Rev. E. Martin.

Oilfield Baseball League Organized

The Oilfield Baseball League could be operating with 11 clubs this season.

Four new clubs were granted franchises at the league's annual meeting recently in Calmar. They were Drayton Valley, a former Oilfield entrant; Millet, Winterburn and Stony Plain.

All of last year's members signified that they would be back: Leduc Oilers, Devon Safeway Kings, Warburg Bufaloes, Calmar Cubs, Glen Park Orioles, Calmar Angels and Breton Eagles.

Ron Hayter, manager of Devon Safeway Kings and pre-

sident of the Northern Alberta Baseball Association, was elected by acclamation for his third consecutive term as league president.

Dave Robinson, of Breton, also was re-elected as western vice-president and Calmar's Ben Halwa was returned as secretary-treasurer. Mike Karbonik of Calmar, was named eastern vice-president.

Due to the large number of entries, it was decided to split the league into two divisions with an interlocking schedule.

Clubs in each division would play each other twice, with one game against each mem-

ber of the other section.

The top two clubs in each division would be eligible for the NABA playoffs. In the regular league playoffs that follows, the four top teams in each division will participate.

Tentatively, the eastern division would include Leduc, Devon, Winterburn, Millet, Calmar Angels and Stony Plain. The western section would comprise Warburg, Breton, Drayton Valley, Glen Park and Calmar Cubs.

Everything Ready for Big Canoe Pageant

Continued from Page 1

At 4:00 p.m. the ten canoes arrive in a brigade and at 4:30 p.m. a canoe sprint for cash prizes will be held. At 5:00 p.m. the Voyageurs, with their canoes and the spectators will move into Drayton Valley and the Centennial Civic Centre site where the Voyageurs will camp for the night.

A roast beef barbecue is planned for 6:00 p.m. prepared by Roy Graves, Western Canada's "Mr. Barbecue." Band music will again be provided during the barbecue. Barbecue tickets are now on sale at \$2.50 each.

At 8:00 entertainment goes on in the Centennial Civic Centre, free to all. At this time Bobby Gimbey will lead a large assembly of children in "Canada Song."

Official opening and dedication of the centre will take place during the evening as well as the introduction of

Chief Voyageurs and special guests and the presentation of prizes for the canoe sprint.

Entertainment during the evening will be provided by the chorales, the Oilwives Can Can Girls, Ritchie Woods Barbershop Quartet and old time music and dancing. Songs and skits are featured as well as modern dancing.

Festivities will end in Drayton Valley at 7:30 a.m. Friday, May 26th with the departure of the Voyageurs for Devon.

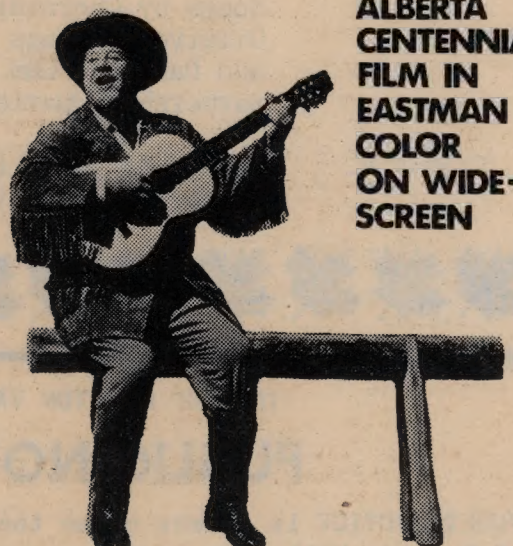

Rifle Competition

On Saturday, May 12th members of the Drayton Valley Air Cadet Squadron motored to Edmonton to compete in a rifle competition for tutor wing. Those attending were: Sgt. Ron Cameron; Cpl. Larry Smith, Cpl. Wayne Selin; A.C.2 Charles Swap; A.C.2 Michael Metzger and Cpl. Dale Kennedy.

TOWN OF DRAYTON VALLEY

PUBLIC NOTICE

PUBLIC NOTICE is hereby given that the Council of the Town of Drayton Valley propose to pass Drayton Valley Development Control Bylaw No. 1, pursuant to Section 130 of The Planning Act, 1963.

That the purpose of Drayton Valley Development Control Bylaw No. 1 is to control development within the Town of Drayton Valley until the General Plan is adopted so that such development shall be orderly and economical and in keeping with the General Plan being prepared.

A copy of the said Drayton Valley Development Control Bylaw No. 1 may be examined in the Town Administration Office at all reasonable hours of business.

A Public Hearing will be held in the Council Chambers at the Town Hall in Drayton Valley at 8:00 P.M. on Monday, the 5th day of June, 1967, for the Council to consider any objections, recommendations or suggestions pertaining to this proposed Bylaw.

Given under my hand and the corporate seal of the Town of Drayton Valley this 15th day of May, 1967.

W. G. JOHANNESON,
Secretary-Treasurer.

Editorial — — Comment

Fine Co-operative Effort

A fine example of community co-operation is the band recently organized with members from the towns of Evansburg, Entwistle and Drayton Valley. We salute their efforts and their contribution to the district.

The band is busily preparing now for Centennial events next week and in the early summer, after that we expect they will settle down to more routine events and in all probability take on a number of new members.

We hope they may find additional members in other communities in the area and become truly representative of the entire district. It's difficult to organize a full band in a small community, but every village or area probably has one or two musicians who could help round out the band.

We hope the band continues to grow and progress as an excellent representative of this Western Alberta region.

Clean-Up Campaign

Don't forget the annual clean-up campaign in progress between May 15 and 27. Extra trucks will be collecting garbage from May 19 to 23.

Help spruce up the town for the festivities of the Voyageur Canoe Pageant on May 25th. Many people will see our town for the first time on that occasion . . . Let's make sure they see it in the best possible light.

Labatt's S.S. Centennial

Labatt's "S.S. Centennial" to Be Used for Canoe Festivities

The "S.S. Centennial," the new public service unit of Labatt's Alberta Brewery Limited, will be in Drayton Valley, Thursday, May 25th, during the Voyageur Canoe Pageant.

The 32 foot long replica of the paddle-wheelers of the early 1900's, will be used at the River Site, at the barbecue

and for the official opening of the Centennial Civic Centre.

The unit features a moving paddle-wheel, a sound system, and lighting facilities. When in a stationary position, one wall of the unit folds out, pro-

viding a 200 square foot stage area. The 7200 pound unit is of wood and aluminum construction, and was built in Edmonton, making its debut during this past year's Klondike Days.

Centennial Scholarships

The Alberta Hotel Association has announced two special Centennial Scholarships. The scholarships are offered to students academically qualified for entrance at either the University of Alberta, University of Calgary, University of Lethbridge or any junior college affiliated with these universities. These special Centennial Scholarships have a maximum value of \$9,000 each and are in addition to the regular 1967-68 Alberta Hotel Association scholarships.

Each year the Alberta Hotel Association awards 68 scholarships valued from \$250 to \$500 each. The value of the Centennial Scholarship awards will be sufficient to cover fees, books and supplies, room and board and further allowances depending on circumstances, up to a possible maximum of \$1,500 per year. Each award will be renewable subject to satisfactory academic progress throughout the normal undergraduate program up to a maximum of six years. One award will be made to a student whose home is in Edmonton or Calgary, and one to a student whose home is in Alberta, outside of these two cities.

McCullagh to Meet Leader

Maurice McCullagh, N. D. P. candidate for Stony Plain constituency in the forthcoming provincial election has spent the past few days working in the eastern end of the constituency and this week has meetings scheduled at Spruce Grove on the 15th, Entwistle on the 16th, and political forums at Tomahawk and Stony Plain on the 17th and 20th respectively.

Mr. McCullagh, a Drayton Valley district farmer, will travel to Wildwood on May 18 to meet the N. D. P. national leader, Mr. Tommy Douglas, who is speaking in that community.

CORRECTION

In the list of trophy donors for Drayton Valley Bowling Association printed in last week's paper, the word Cynthia should have read Cynthia Construction.

Golf Season Off to Good Start

The golfing season in Drayton Valley is off to a good start with increased membership, including many new members.

The club house is being finished off and furniture ordered. It is expected that the club house will be ready for the men's open tournament on May 27th and 28th.

Golf club memberships and entry forms for the tournament are available from any member of the executive.

Free golf lessons provided by former professional Al Walton have proved so popular that a change in instruction times was required. Lessons for men will now be provided on Tuesday and Thursday at 7:00 p.m. and at 8:00 p.m. on the same days for women. The club executive points out that golf lessons are available only to members of the club who are asked to sign the register before golfing or taking lessons.

Of interest to ladies of the golfing fraternity is a letter re-

ceived recently from the secretary of the Canadian Ladies' Golf Association seeking an expression of interest from the local club regarding affiliation with the C.L.G.A.

Ladies interested in commenting on the proposal are asked to contact either Mrs. Booker or Stan Metelski.

Flanagan, Horner Visit District on Weekend

Visitors in the area last Saturday were Frank Flanagan of Stony Plain, Conservative candidate in the forth coming provincial election, and his brother-in-law, Dr. Hugh Horner, former M.P. for Jasper-Edson and now a P.C. candidate in the provincial riding of Lac Ste. Anne.

Mr. Flanagan, principal of the Stony Plain Elementary and Junior High Schools since 1952, is a newcomer to provincial politics making his first bid for office.

In their swing through the

western end of the constituency they met electors in the communities of Evansburg, Entwistle, Tomahawk, Moon Lake, Rocky Rapids, Violet Grove, Lodgepole and Drayton Valley.

NEW FLAG AT P.O.

A new Canadian flag is now flying over the Post Office in Lodgepole adding a bright touch to the community.

Postmistress, Mrs. Doris E. Proehl contributed the flag and Pan American Oil donated and installed the pole.

SPRING CLEAN-UP

The Town Council of the Town of Drayton Valley asks that every citizen does his part to ensure that our town is clean, tidy and presentable for the celebrations when we welcome the Centennial Voyageur Canoe Pageant to Drayton Valley on Thursday the 25th of May 1967.

CLEAN-UP WEEK

will be during the period

15th to 27th of May Inclusive

With extra garbage collection trucks going on from the 19th to the 23rd of May.

You can do your part by ensuring that all your garbage, refuse and waste material which has accumulated over the past winter is gathered up and in reasonably good collection receptacles at the end of your yard ready for pickup by our collection crews.

REMEMBER! TIDY, ORDERLY, CLEAN YARDS NOT ONLY PUT ON A FINE APPEARANCE BUT THEY ALSO ENSURE GOOD SANITATION WHICH IN TURN MEANS GOOD HEALTH.

VOTE FOR

MRS. CORNELIA R. WOOD

FOR ECONOMIC SECURITY AND FREEDOM
AND GIVE OUR YOUNG PEOPLE A CHANCE

Electors of Stony Plain have long recognized in their Member, Mrs. C. R. Wood, one of Alberta's outstanding women in Public Service. Raised on a farm in this district, Cornelia R. Wood is acquainted with every phase of rural living and has given effective representation to the people of the Constituency and the Province generally.

She received her early education in Stony Plain and Edmonton and in the Normal School in Calgary and taught school for four years. She has always been active in community affairs. A woman of friendliness and clear judgement, she has endeared herself to thousands throughout the Province for her work on behalf of the underprivileged. Her lifetime career has been Serving Others.

Mrs. Wood has served as Chairman of the Consolidated School Board for nine years, was Mayor of the Town of Stony Plain for one term. Mrs. Wood has given 22 years of service to her Constituents and again offers her services and experience for the Stony Plain Electors.

A keen student of health, welfare and education problems as well as every phase of rural living, Mrs. Wood has always been an advocate of legislation that would help the Stony Plain Constituents as well as the rest of Alberta. Her service for the people of the Constituency has been outstanding and is well known by the many who have been helped.

**A Personal Message
from Mrs. C. R. Wood**

TO EACH ELECTOR

In this large Stony Plain Constituency and with the shortness of the campaign held in a very busy time, I regret that I cannot call on each one of you personally. But I use this medium of coming into your home to say that at the request of a great many of the Electors of this Constituency, I agreed to accept Official Nomination as an INDEPENDENT SOCIAL CREDIT Candidate for the May 23rd Election.

Having had considerable experience in public service, I know the problems facing the people and conscientiously believe these problems and their resulting injustices can be remedied and finally removed by the use of our Social Credit the Credit of Society.

This must be approached with courage and conviction and this I am prepared to continue to do on your behalf. AS AN INDEPENDENT SOCIAL CREDITER, I WILL SUPPORT ALL MEASURES WHICH ARE IN YOUR INTERESTS AND OPPOSE ALL MEASURES WHICH DEPRIVE YOU OF YOUR RIGHTS. I CAN DEVOTE FULL TIME TO REPRESENTING YOU AND WILL BE FREE OF PARTY DOMINATION TO SERVE YOU.

During the past few years, the Government calling itself "Social Credit" has done very little to inform the people of the evils of the monetary system and taxation--the platform on which it was elected in 1935. No recent educational campaigns have been made to explain why taxation increases and why every individual is feeling the effects of the mounting taxation.

The only remedy known to date, is that of reform of the monetary system. Today this is hardly ever mentioned by the Government and little effort is being made to inform the young people of its far-reaching power in preventing their security and freedom.

Progressively increasing taxation on people reduces the purchasing power of those who are employed. In this Age of Automation, it is possible to produce plenty with less and less manpower used, but under the present out-dated monetary system, those persons replaced by the machines, have no purchasing power to buy their needs except through taxation upon those who are employed. These people are alarmed over the situation that is developing.

The problem facing every individual is simply "LACK OF MONEY" to do the things or purchase the things needed. It is time that we unite to change the man-made system to make it work for mankind. ALL TALK OF "FREE ENTERPRISE" WITHOUT CHANGES IN THE PERNICIOUS SYSTEM IS FUTILE.

As your representative, I will continue to fight for Social Credit - the policy on which I was first elected as your Member and help in educational campaigns to get "United Action" in making the changes necessary to build a truly DEMOCRATIC FORM OF SOCIETY IN WHICH EACH INDIVIDUAL WILL BE ASSURED FREEDOM WITH SECURITY TO ENJOY IT.

LODGEPOLE

Mrs. Charlotte E. Kay
Correspondent

Lodgepole Scouts and Cubs held their annual Father and Son Banquet last week in the Community Centre. Out-of-town guests included Dr. and Mrs. Maclure, and Rev. Martin and Mrs. Martin of Drayton Valley. Mr. John Deacon, the new student minister was also a guest.

After a bountiful supper of turkey "and all the trimmings" presentations were made to the leaders for their work during the past year.

A special trophy was presented to Mr. Roger Nelson by the boys. It had a base of mahogany, surmounted with knotty pine. At the base, the Scout emblem was set in natural rock and was inscribed, "in appreciation for Scouting Leadership". The leaders wish to take this opportunity to thank all those who in any way helped to make the past year a success.

Miss Cheryl Pedersen, daughter of Mr. and Mrs. Glenn Pederson left recently for Ottawa. Her trip was sponsored by the Rotary Club.

Mr. F. Joesting is home again after being in hospital in Edmonton.

Caravan Planning

Planning is going ahead on the Caravan visit to Evansburg on July 1st and the Centennial Committee met recently to review progress.

Committee heads reported and indications are that all phases of the big day are well in hand.

A parade will start the day's festivities that will also include a queen contest. Special invitations are going out to oldtimers of the area to attend.

It was reported that progress was going ahead in the matter of decorating business places with flags for the occasion.

In order to organize the parade it was decided to have entries submitted by June 15th.

It is a worthier thing to deserve honor than to possess it.
- Thomas Fuller.

Three Communities Represented

The district band that includes members from three communities in this area is shown above at practice in the Evansview School in Evansburg. Members of the band come from Evansburg, Entwistle and Drayton Valley.

The band has been practicing as a unit for several months under the direction of Bandmaster

Mike Achtimichuk of Evansburg. Unfortunately Mr. Achtimichuk has been transferred to Lacombe by the Farm Purchase Board but another member of the band will take over to fill the gap.

The band will also lose Mr. Achtimichuk's wife and four children, all of whom play instruments. The band welcomes

new members at anytime.... more so now under the present circumstances.

Several beginners are coming along well and are expected to become members of the band soon.

The band will make its first public appearance at the Voyageur Canoe Pageant in Drayton Valley on Thursday.

Mrs. Wood Visits District Points

Mrs. C.R. Wood was a district visitor last week. The former Social Credit member of the Legislature for Stony Plain Constituency, Mrs. Wood is seeking a seat this time around as an Independent Social Credit Candidate.

The veteran in the provincial political field, Mrs. Wood has served 22 years as a member of the Legislature.

She spent several days recently visiting electors throughout the western portion of the constituency.

Oilers Win Sunday Games

Drayton Valley Oilers opened the baseball season Sunday with two exhibition games with the Breton Eagles. Both games went to the Oilers by scores of 9-5 and 7-3.

Gerald Redlinger and Roy Hutchinson shared the pitching duties for the Oilers.

POINT:

1876

As everyone knows, Mr. Bell first amazed the world on March 10, 1876 when he transmitted speech over a primitive telephone. Many more developments came later: the world's first long distance call in September 1877, the first telephone exchange in July 1878 and the first dial telephone in 1908 - all in Canada.

1900

1940

1967

Now, over one half million long distance calls are made every day in Canada, television programs are transmitted around the world through satellite communications, and the written word is sent from nation to nation, in seconds. Telephone communications certainly had a lot to do with Canada's hundred years of progress, don't you think?

Historical Film To Be Shown Here

"West to the Mountains", a half-hour film produced for the Government of Alberta to commemorate Canada's Centennial Year and to honor the province's pioneers, premiered April 4 at Innisfail, the loca-

tion where Anthony Henday held his first rendezvous with the Blackfeet.

Following the premiere, 35 millimetre wide-screen prints of the film in Eastmancolor were made available free of

charge to all theatres in the province.

The title "West to the Mountains" is derived from the advice given to pioneer homesteaders heading across the prairies; "Go west until you see the mountains and settle there". The film's story is that of Alberta, from the days before the white man to the present and beyond.

Brought to life on the screen are the people who suffered hardship and danger to build a foundation for today's Alberta, the fur-trader, the missionary, the gold-seeker, the North West Mounted Police, the pioneer families and homesteaders. The film also shows the results of their efforts with a look at the present progress of the province and even a glimpse into the future. Its scope covers the length and breadth of Alberta, from the Peace River to the southern prairies, from the badlands to the mountains.

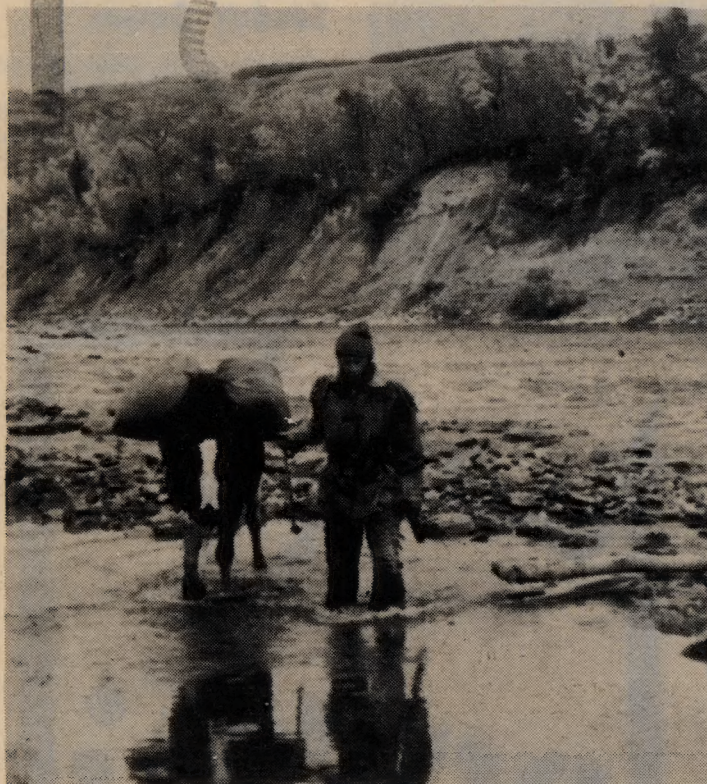

All parts in the film are played by Albertans, with the exception of narrator and balladeer Burl Ives, and his son, Alex. Mr. Ives was chosen for the role because of his international reputation as a storyteller and folk-artist.

Plan Banquet

The C.G.I.T. girls of Drayton Valley are holding a mother and daughter banquet on May 30th. The girls are planning a smorgasboard-style supper.

A fashion show and entertainment will follow. The banquet will end the C.G.I.T. term.

Talent is a lot, but tact is much more.

Anthony Henday, played by Joe Browne of Delburne, crosses the Red Deer River in a scene from "West to the Mountains", the Alberta Centennial Film.

POINT:

Opinion polls show Canadians are swinging to the NDP everywhere.

Albertans would do themselves proud by leading the way for the rest of the country.

Dancing Registration

On Monday, May 29th at 8:00 p.m. registration will be held in the Civic Centre for all people wishing to attend classes in the Gloria Blair School of Dancing commencing next September. This includes those pupils who are taking lessons this year.

Classes are available for all ages and include Ballet, Tap, Modern Jazz, Ballroom, Acrobatics and Baton.

Following the registration a meeting will be held with Gloria Blair present to discuss the Review to be held on June 29th in which all present pupils will take part, and for other business and questions.

All those presently involved in dancing are urged to attend and to bring along anyone else who is interested.

D. V. Highlights

BY MRS EDITH DEBY

Mr. and Mrs. O'Hare and Neil were Drayton Valley visitors on Sunday.

It is hoped that Mr. Wollschlager who has been a patient in the General Hospital for the past several weeks will be able to come home soon.

Mr. Leslie Davidson, of Lac La Biche, visited his daughter, Mrs. John Law, on his way to Salmon Arm, B.C.

Mr. and Mrs. Van Dorp are planning a summer holiday in Holland this summer. On route they will spend a week in London. A Van Dorp family reunion is planned. Many of us had the pleasure of meeting Mr. and Mrs. Van Dorp Sr. when they visited in Drayton Valley.

Mrs. Roy Hutchinson's uncles Chester and Alvin, from Washington State, were district visitors for a short time.

Sorry to hear that our old friend, Mrs. Cecil Wall, is not feeling herself these days and surely hope to hear better news of her soon.

Mr. and Mrs. Arvett Erickson and their sons, Eric and Edwin left last Friday for Sweden where they will spend six weeks visiting Erickson relatives. Mr. Stanley Pickovance will take care of the farm during the Erickson's absence.

Mrs. William Robinson Jr. is one of the busiest young women I know these days. She has been appointed chairman of the

entertainment committee of the Farm Union and is making a very thorough job of planning for the Farmer's Day celebrations on June 9th.

The W.I. Plant Sale will be held in Block's Store on June 3 from 2 to 5:30 p.m. There will also be a home baking table. If you haven't been able to purchase your ticket on the Colonial rug any W.I. member will be happy to sell you one.

Entwistle News

Mrs. E. Oliver, Reporter

Mr. and Mrs. John De Yong have moved their trailer into Entwistle.

Mr. and Mrs. John Oliver motored to Red Deer on May 4th to see their son Neal. He hasn't been to good for some time now but seemed better on their visit.

The Inter-Church Talent night held on May 5th was very well attended with participants from Stony Plain, Spruce Grove, Onoway, Drayton Valley, Wildwood, Whitecourt, Edson, Sherwood Park and Entwistle. Lunch was served to all after the concert.

Mrs. Jackie Sanderson was one of the lucky winners of the Cosmo T.V. Bingo which ended last weekend.

Mr. Fred Cherrington won at the Lions Bingo in Drayton Valley on May 5th.

Mrs. Maggie Hoople and Mr.

George Davidson are both in hospitals. We all hope they will soon be back home and feeling O.K. once again.

Rev. and Mrs. Robert Koehn and family left for a holiday to the United States. They are expected to be away about one month. Church services and Tuesday night prayer meetings will continue.

The monthly meeting for the Entwistle Fire Department was held on May 9. There were 16 of the 20 members present. Barry Nesbit joined recently. A discussion was held on forming a baseball team and thoughts are going into one.

The fire department is busy burning grass in the village's vacant lots and with weather permitting they hope to get to them all. The next practise will be May 18th.

The Province of Alberta is the only one in Canada in which there is no provincial retail sales tax.

Centennial Capers

Back stage at Centennial Capers presented in Frank Maddock High School Saturday the make-up crew is shown at work. From left to right are, Patricia Hill, Brenda Johanson, Claudette Coutu, Linda McMorris and Julie Wilner.

Heavy Fire Loss Monday

Fire Monday evening caused considerable damage on the farm of Peter Kwasanyia north east of Rocky Rapids.

Buildings destroyed in the fire were a garage, machine shed and hen house. Also lost was a threshing machine, 1957 Ford car and about 12 turkeys, 50 hens and 100 chicks.

The loss was estimated in the neighborhood of \$8,000 and no insurance was carried. The Drayton Valley Fire

Department responded to the alarm at 9:45 and was on the scene until about 1:00 a.m. Additional water was provided at the fire by a J.A. Trucking tank truck.

A mechanic working on a police car in Klamath, Oregon saw an unfamiliar button and pushed it. Within a matter of seconds about 30 mechanics came streaming out of the garage.

The button set off a tear gas gun.

VIOLET GROVE NEWS

Mrs. Elsie Arndt,
Correspondent.

Recent visitors at the Fred Davidson home were Eunice Padget, Stewart and Donald of Edmonton, Sharon and Alvin Fowler and family of Deadwood, Alberta.

Newcomers to our community are Dick and Lorna Nichol-

son and their three boys, Gene, Brent and Wiley of Irma, Alberta.

They have taken up residence in the Oliver Ferguson house. Welcome to the community Dick and Lorna.

The Violet Grove Community League members have spent a few very busy days cleaning and repainting the community hall. Thursday evening was spent cleaning and burning the grass on the hall grounds and everyone enjoyed themselves

at a weiner roast to top off the evenings work.

Thanks to all members and the children who so graciously donated their time and efforts toward making the hall a much pleasanter gathering place for entertainment.

Remember to reserve May 26th for the social and dance in the community hall when the lucky ticket will be drawn for the sheep's wool quilt.

The Community Hall will be the polling station for the election on May 23rd.

It was a happy Mothers Day for Granny Landers on Sunday. She spent the day at the home of her daughter Mrs. Margreat Allen, visiting with three other daughters, Mrs. M.B. Allen, Violet Landers of Drayton Valley and Mrs. and Mrs. Melvin Prosser of Chauvin.

Get well wishes to Mrs.

Louise Strauss who just returned from hospital after a bout with Pneumonia.

Housewife: "Why should a big, strong man like you be begging?"

Hobo: "Lady, this is the only profession I know of in which a gentleman can address a beautiful woman without an introduction."

An Open Letter to the People of Alberta

For the past several years, I have stressed the need for developing a new understanding and unity among constructive, freedom-loving people and parties in Canadian politics. This need exists right here in Alberta, where the task of fully developing our total human and physical resources is so immense and so challenging that we cannot afford to dissipate the energies and contributions of constructive freedom-loving people by needlessly opposing one another.

In Alberta, the efforts of a constructive, free-enterprise Government have invariably met with vicious opposition from negative thinkers, collectivists, and socialists. As long as there is a negative side to be taken, such opposition will always exist. It is, consequently, both unnecessary and unwise for constructive people, capable of positive agreement to disagree merely for the purpose of providing "opposition" one to another.

This letter is a frank and open invitation to all positive-minded citizens in Alberta, who share these views, to become personally acquainted with the operations and policies of

your present Government, and to join your fellow citizens in supporting Government (Social Credit) candidates in the forthcoming general election. Your Government desires and welcomes the ideas not only of those who have faithfully supported Social Credit in the past, but also of progressive conservatives and liberals who find themselves in substantial agreement with the basic principles and advanced policies outlined in the Government's recently published White Paper.

On May 23rd it is my earnest hope that there will be a new expression of political unity and purpose in Alberta on the part of all constructive, freedom-loving people. You can make such an expression possible by giving your full and active support to Government (Social Credit) candidates.

Very sincerely yours,

A handwritten signature in dark ink, reading "E. C. Manning". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.

E. C. Manning,
Premier of Alberta.

Kindergarten General Meeting

A general meeting of the Drayton Valley Community Kindergarten was held on Monday evening in the Junior High School with approximately 100 parents attending.

President, Mrs. Eunice Lyle called the meeting to order. Minutes and correspondence were read by secretary, Mrs. Elaine Home. Treasurers report was given by Mrs. Marion Neil.

Business arising out of the minutes included the review of the year's activities.

Mrs. Rita Helander's resignation was accepted with regret by the board.

We are grateful to Mrs. Julie Wilner for continuing to teach kindergarten for the coming term.

Mr. Elliott and all the teachers on his staff were thanked for their kind invitation to the kindergarten class to visit the Elementary School. At the present time there are 51 children attending three kindergarten classes.

"Open Day", for all parents of children attending kindergarten and those who have registered their children, will be held on Wednesday, May 24th. Morning classes 10:30 to 11:30. Afternoon classes, 2:30 to 3:30. Parents will see a display of the children's work, observe a class in action, and will see the children receive their diplomas.

Elks Lodge Fetes Member

Ed Litke who has served as Exalted Ruler of the Drayton Valley Elks Lodge was honored at a social held Saturday evening when he was presented with a plaque from the Entwistle Lodge. Ed was also presented with a parting gift from those present.

Mr. Litke is now employed with Hudson Bay Oil and Gas in Edmonton.

Mrs. Litke, Elaine and Jerry will remain in Drayton Valley until school is out before taking up permanent residence in Edmonton.

Mr. Jay Hazzard has been elected Exalted Ruler of the Drayton Valley Lodge and will be commencing his duties immediately.

Camp to Open July 2nd

The Alberta Council for Crippled Children and Adults announced recently that the camping season at Camp He-Ho-Ha, Lake Isle, will commence July 2nd. This year, as in the past, the season will be divided into five distinct periods to accommodate a wide area of both handicapped children and adults.

July 2nd to 15th, the Camp will accommodate the Charles Best Diabetic Camp, a special camp for the diabetics. July 16th to 29th, a camp for the junior handicapped children; July 30th to August 12th, the intermediate handicapped children; and August 13th to 26th, the Teen and Young Adult handicapped. The season will conclude August 27th to September 23rd with another special camp for the Canadian Mental Health Association.

Parents, relatives or friends who know of any handicapped youngsters or adult who would benefit from this opportunity should communicate directly with the Alberta Council for Crippled Children and Adults, 509 Agency Building, Edmonton.

Parts of the constitution were revised. This included a motion made by the parents to raise kindergarten fees \$1.00 to bring the monthly fee per child to \$13. This would enable a small raise in the teacher's salary.

A nominating committee, headed by Mrs. Elaine Home, presented the following slate of officers for the 1967-68 term, as there were no nominations received from the floor it was moved and carried that this slate be installed by acclamation: President, Mrs. Eunice Lyle; Vice-president, Mrs. Joan Findlay; Secretary, Mrs. Beverly Orieux; Treasurer, Mrs. Sunao Shimbashi; Board of Directors, Mrs. Dorothy Woods; Mrs. Barbara Mac-

Lean, Mrs. Marilyn Boles, Mrs. Nancy Jacobs.

Mrs. Eunice Lyle thanked the past executive and welcomed the new executive, who will commence duties June 1st.

For the highlight of the evening's meeting, Mrs. Rita Helander introduced our guest speaker, Dr. E.J.M. Church, Director of Special Services of the Department of Education. Dr. Church gave a most informative talk on the value of kindergarten. Following was a question and answer period, which enabled the parents to ask questions concerning kindergarten.

There are 75 children now registered for the 1967-68 kindergarten term. The kind-

ergarten board is appealing for two more teachers so that three classes could be set up to accommodate most of the children now registered.

Possible locations for kindergarten for the fall term were discussed. It was decided to

leave this matter up to the board, as no definite plans can be presently arranged.

Following the meeting, a delicious lunch was served by the board, and was convened by Mrs. Marion Neil and Mrs. Nancy Jacobs.

Adventure in Citizenship

The celebration of Canada's Centennial means different things to different people but to 239 senior high school students from across the nation it means an Adventure in Citizenship. The Adventure, a project of the Ottawa Rotary Club, brings together students from every province and the Northwest Territories during the week of May 14th, discovering their National Capital and learning about other parts of Canada from their fellow Adventurers.

Cheryl Pederson, 17, of Lodgepole is one of the Adventurers and is sponsored by the Drayton Valley Rotary Club. She is a student at Frank Maddock High School. Cheryl was chosen as a finalist in an Essay Contest conducted at school. The finalists then spoke, on the same subject, at a regular weekly meeting of the Rotary Club. Cheryl was selected the winner by a panel of three judges. The subject of this year's essay and talk was "What Centennial Means to Me."

This 17th annual Adventure holds special significance because it is held during the celebration of Canada's 100th birthday and much of the program reflects this fact. The students will have an opportunity to witness the Sound and Light spectacular scheduled for Parliament Hill and will also spend a day at Expo in Montreal.

Among the speakers who will address them during the week are Hon. John Turner, Registrar General, Hon. J.G. Diefenbaker, Leader of the Opposition and his worship Mayor Don

Reid of Ottawa. The students will witness the final inspection of the Royal Canadian Mounted Police at Rockcliffe by Commissioner G.B. McClellan and will be addressed by him following the inspection. They will also be present at the official opening of the Ottawa Tulip Festival when Queen Juliana of the Netherlands will speak.

Among other points of interest the Adventurers will visit in Ottawa are the Parliament Buildings, Public Archives, National Aeronautical Collection, National Gallery and the Supreme Court. They will be guests of the National Capital Commission who will give them a tour of the Capital including a picnic lunch and also dinner. The Collegiate Institute Board of Ottawa will entertain them at dinner followed by a concert featuring an original composition, "Proudly We Praise" by Canadian composer Don Wright who

will personally conduct the orchestra and chorus.

On the more serious side will be discussion groups held on two mornings at Carleton University at which time the students will have an opportunity to discuss current issues of national and international importance. Professors of the University are leaders of the discussions and care is taken to keep each group small to permit active participation by all.

The final day finds the Adventurers gathered in the Confederation Room of the West Block of the Parliament Buildings to receive their citizenship certificates from the Hon. P.E. Trudeau, Minister of Justice. Following this, at the final luncheon, a delegate from each province and one from the Northwest Territories will speak and give their impression of one of the highlights of their Adventure in Citizenship.

Fire Permits Required

A warning was issued today by S.R. Hughes, Administrator of Forest Protection, Alberta Forest Service, to all farmers, ranchers and settlers on land located within Improvement Districts to make sure that they have obtained a Fire Permit before setting fire to any brush piles or windrows on their cleared land.

The burning of brush must comply to regulations and care taken to keep fire under control at all times.

Permits may be obtained at the nearest municipal or ranger station office.

Centennial Trees Leaving Oliver Nursery

During the next few weeks, well over 180,000 trees will be shipped to all parts of the province by the Alberta Department of Agriculture's tree nursery at Oliver for centennial tree planting projects.

P.D. McCalla, Supervisor of Horticulture, reports that more than 350 applications for individual tree planting programs have been received and approved by his Department in the last year. Two hundred and thirty-three of the projects were for centennial school planting programs, seven were for 4-H tree planting programs and the remainder were for miscellaneous projects such as service club and county tree planting programs. Nearly 700 rosy-bloom crabapples, Canada's official centennial tree, have been ordered by various schools throughout the province.

To ensure a high rate of survival among the various programs, the Department of Agriculture recently sponsored a centennial horticultural short course for local government employees in municipalities and towns throughout Alberta.

The photo above was snapped Sunday when a number of families were enjoying the park facilities and fishing in the Pembina.

Two Cub Scouts, whose younger brother had fallen into the lake, rushed home to their mother with tears in their eyes.

"We're trying to give him artificial respiration" one of them sobbed, "but he keeps getting up and walking away."

Bowlers Elect Officers For Next Season

The final meeting for the 1966-67 season of bowling was held on May 15th with 14 members present. Elections took place and the new executive is as follows: President, Gordon McManus; 1st Vice-president, Al Bohnet; 2nd Vice-president, Eleanor Metzger; Secretary, Edith Hinecker; Treasurer, Betty Bohnet; Directors, Henry Metzger, Ray Hinecker, Chris Frank, and Kurt Hansen.

The Association would like to thank Mike Gormley of the Recreation Association and Mr. Woods of Frank Maddock High School for the use of their facilities throughout the year for meetings.

The next meeting will be held at the High School on August 28th at 8:00 p.m. and bowling resumes after Labor Day.

Petition Seeks Mile of Names In Cause of Mental Health

Drayton Valley and district residents are being given the opportunity to sign the "mile of names for mental health". This is a petition to be submitted to the Provincial Government in an effort to have the following legislation enacted.

The C.M.H.A.'s Five-Point plan for mental health services is worded as follows: "The double standard must go". Henceforth all discrimination between physical and mental illness, in organization and in provision of services, and the attitudes on which these discriminations are based, be disavowed for all time as unworthy and unscientific. We Recommend:

Medical Integration--That the psychiatric services be integrated with the physical and personnel resources of the rest of medicine.

Regionalization--That psychiatric treatment services be established in centres of population on a regional basis; and that a wide range of psychiatric

services be established in the larger communities.

Decentralization--That the management and administration of psychiatric services be decentralized.

Continuity of Care--That close co-operation among treatment personnel and co-ordination of psychiatric services be maintained to ensure that the patient receives appropriate help in his community through all phases of his illness without interruption; and that recruitment, training and career programs for professional personnel in the mental health field be rapidly improved and increased.

Co-ordination--That local psychiatric services in hospitals, clinics and other centres be co-ordinated to promote maximum effectiveness. Co-ordination and continuity of care are basic principles under-

lying the management of the whole treatment plan.

All interested may sign the petition at the times and places listed below: Pembina Drug, Friday, May 26 from 2 to 4 p.m.; Sunset Hardware, Friday, May 26 from 7 to 8 p.m.; and at Block's Store, Saturday, May 27 from 2 to 6 p.m.

Receives Plaque

Roy Burrows was presented with a plaque last week by members of the canoe team travelling from New Westminster to Montreal who were stopped here recently by ice jams in the North Saskatchewan River.

Roy flew the party over the river on a number of occasions to survey ice conditions and they responded to his courtesy by presenting him the beautiful wooden plaque bearing the seal of the City of New Westminster.

Cub, Scout Mothers Meet

A meeting of the Cub and Scout Mothers was held on May 3rd at the Scout Hall.

The flags have been purchased by the mother's auxiliary and forwarded to Jack O'Rourke. We wish to thank Mr. Pickup for donating a centennial flag to the group.

The group committee is considering improvements to the scout hall grounds as their centennial project. The mothers auxiliary will donate \$150 towards their project.

The father-and-son banquet will be held on June 8th at 6:30 p.m. in the Elks Hall.

All those attending are asked to please bring their own cutlery. Any mothers willing to help serve that evening please phone Maureen Schwab at 542-3930.

The rally at Evansburg will be held on June 3rd. The boys will take their own lunch and will meet at the Scout Hall at 11:00 a.m. The mother's will serve hog dogs later that day. The camp-out is dated for June 23rd, 24th and 25th. Mothers are needed to help for both the rally and camp-out. Anyone able to help can phone 542-3930.

Town Enters Dog Control Arrangement

Drayton Valley entered into a contract with a new Dog Warden on the 12th day of May 1967. This time our dog warden is a local man, Henry Beauchesne. Henry has had experience with the control and apprehension of dogs in other towns and in addition he made it his business to contact the Society for the Prevention of Cruelty to Animals in the person of Mr. Bruce, their Edmonton supervisor to get all the latest regulations and facts about dog control and confinement. He also procured as much information as possible about the handling and disposal of un-owned and unwanted dogs from the Department of Public Health.

It is truly hoped that this latest measure in the Drayton Valley dog control program will prove suitable and satisfactory to both dog owners and non-owners. All are earnestly requested to cooperate with the Town Council and the Dog Warden by solicitously living up to the provisions of the dog bylaw and by advising the authorities about any uncontrolled animals in their neighborhood in order that steps may be taken before damage and/or nuisance is done.

All are advised that the dog pound is located west of town property, approximately four miles west on the road past the airport.

If you have reason to be-

lieve your dog may have been picked up you can verify this by calling the Town Office or by contacting the dog warden at 542-2088.

To Shoot Forestry Film In Whitecourt District

Actors and camera-crews will be moving into Alberta's Whitecourt Forest within the next few days to commence shooting of the Alberta Forest Service film "Right to Burn".

"Right to Burn" is the story of a farmer located in a region close to one of Alberta's numerous forests, who carelessly causes a major forest fire after obtaining a permit to burn brush piles on his recently cleared land. All aspects of the Service's protection branch will be brought into the "freight" as water bombers, helicopters, crack Indian fire fighting crews, look-outs and bulldozers attack and put out the runaway fire.

The \$21,000 half-hour color

film is being produced by Canawest Film Productions of Calgary and will feature Lloyd Barry in the role of the Forest Ranger. Barry has appeared in numerous episodes of the "Littlest Hobo" television series and the CBC's "Caribou Country".

Bill Barry, also of Calgary, is cast in the supporting role of the farmer. He recently appeared as the Fur Trader in Alberta's Centennial Film "West to the Mountains" starring Hollywood's Burl Ives.

When wild forest fires occur this year, various sequences will be taken for the film.

Ideas are very much like children. Your own are wonderful.

FARM FIRE PROTECTION

By A.E. Bridges,
Alberta Fire Commissioner

Last night I attended a Chamber of Commerce meeting at which district fire protection was discussed. The meeting was in a small village and I noticed farmers and village businessmen were about equally represented.

How do we get started? Should it be a farmer co-op plan or a joint project between the village and the county? What will the fire truck cost? Could we not buy a second hand engine at less than half the cost? These are all questions that have to be settled before the village and rural fire protection plan gets under way.

The village agrees to house the pumper. The fire department agrees to maintain and operate it responding to both village and rural emergency calls. Next a committee of the Chamber will have to canvass the district to find how many farmers within a ten to fifteen mile radius will invest money. They must be prepared to buy a share in a rural fire protection co-op or agree to be taxed an extra two or three mills to pay for the equipment and service. Most farmers size it up this way:

"We are operating with expensive machinery. We have more fire hazards because of handling power fuels. We have more valuable buildings and equipment and feed stacks than we had a few years ago, so when a fire breaks out we have to know where we can get help in a hurry."

The cost of a new fire truck

seems high at first but considering the service life of fifteen years or more, the cost per year per farm or business premise is quite manageable.

The Fire Commissioner and his staff attend many town and rural fire protection meetings each month since rural fire protection planning has spread through the whole province

mainly in the last ten years. (30 of 48 counties and municipal districts have part or all of the rural community under an organized fire protection plan). The Fire Commissioner offers technical assistance to prospective purchasers of fire protection equipment also a fire fighting central training school for municipal fire departments.

Letters to the Editor

Editor,
The Western Review.

Dear Sir:

I would like to express my views and I feel the views of many other Drayton Valley residents, on the dust situation in this town. People are willing to pay taxes to reduce the dust problem as well as enabling them to drive on smooth roads. Of late, it is difficult to distinguish between a gravel or a paved road since the dust is almost the same on both.

Why does the town not have sufficient equipment to keep the streets clean. Street sweepers are not extinct yet. Dust-eater, R. Torgerson

EDSON HEALTH UNIT

Summary Quarterly Report

First quarterly report of the Edson Health Unit, covering the period January 1st to March 31st, was presented to the

Health Board recently by Dr. Jack, M. Brown, Medical Officer of Health.

The incidence of Communi-

cable Diseases reported to the Health Unit office during this quarter was low, a total of ninety-nine notifications having been made.

Scarlet fever and streptococcal sore throat again accounted for most of the cases, these occurring principally in the Drayton Valley and Lodgepole areas. Measles and mumps accounted for most of the remainder of the diseases notified.

INFANT, CHILD AND ADULT CLINICS

The attendance at the clinics was slightly greater than the previous quarter. The follow-up system is now in operation and the results to date have been satisfactory.

SCHOOL HEALTH SERVICES

All aspects of this program are proceeding on schedule. It is noted that more and more discussions are taking place between the teachers and the Health Unit personnel regarding the well-being of pupils. This is most desirable in the interest of all concerned.

RHEUMATIC FEVER

PROPHYLAXIS PROGRAM

No names have been added to the list during the past quarter. There are now thirty-nine persons receiving free penicillin under the Provincial Rheumatic Fever Prophylaxis Program.

DENTAL PROGRAM

During the first quarter of 1967, the Dental Program was carried out mainly in Drayton Valley, Edson and Hinton. In addition, the school and pre-school children of Brule were seen during March.

In Drayton Valley, the four year old children were treated during January; in February and March, the program was completed in the St. Anthony's Elementary School and commenced in the Drayton Valley Elementary. In Edson, the program was completed in the Evergreen School and the A.H. Dakin School. The pre-school program was commenced in Edson during this quarter.

During this quarter, 186 prescriptions for fluoride supplements were dispensed from the Edson Office. Fifty-five requests came from Drayton Valley and area, fifty-nine from Edson and area, and seventy-two from Hinton.

Fire Tuesday

Fire Tuesday afternoon did considerable damage to the interior of the Scona Tire Warehouse. The Drayton Valley Fire Department responded to the alarm.

No estimate of damage is available as we go to press.

Who's New?

Nobody's new, that's who! For the first time in ages there were no new arrivals at the Drayton Valley Municipal Hospital for the week of May 6 to May 12.

Cedar Chest Being Ruffled

A welcome addition in most homes would be the lovely cedar chest packed with linen that is being raffled by the Order of the Royal Purple on June 10th at the Elk's Hall.

Tickets may be obtained from Northern Video Electronics where the chest and linen are on display, from Stedmans or from any member of the Royal Purple. They are selling at 3 for \$1.00 or 50¢ each.

The cedar chest is from Northern Video Electronics and the linen which was chosen in accents of rose is from Stedmans Associate Store.
